RECOMMENDED ACCOMMODATION IN THE CRICKHOWELL AREA

There is accommodation of all types in and around Crickhowell. The following is a selection of the places I recommend, but it is far from exhaustive. Further information is available from the excellent **Crickhowell Tourist Information Centre** – Tel 01873 811970.

SERVICED CAMPSITES

Cwmdu Campsite, Cwmdu. Tel 01874 730741. NGR SO/181232.
Serviced camping and glamping with a wide range of excellent facilities in a small village about 4 miles from Crickhowell.

BUNKHOUSES

The Star Bunkhouse. Tel 01874 730080. NGR SO/149220.
A fabulous, dog friendly independent hostel about 4 miles from Crickhowell. Emma and Pete offer private rooms for individuals, couples and small groups, or exclusive use of all rooms to larger groups (between 14-20).

SELF CATERING

2 Mill Street, Crickhowell. Tel 07967 048255. NGR SO/215184.
A 4-star, two-bedroom holiday cottage in Crickhowell, about a 5-minute stroll from my base.

Brecon Beacons Holiday Cottages. Tel 01874 676446.
A fantastic selection of holiday lets of all types, shapes, and sizes, in and around the Brecon Beacons National Park.

HOTELS

The Bear Hotel, Crickhowell. Tel 01873 810408. NGR SO/217184.
Voted Best Walkers' Pub in Wales in 2019, The Bear has been my base for over 40 years and I often bump into past clients here. Lots of oak beams, roaring log fires and friendly, obliging staff all add to the unique, relaxed atmosphere of this bustling, award-winning hotel. Conveniently situated on the main A40 at the end of the High Street and a focal point of the local community, both accommodation and food are to an exceptional standard. Early booking recommended.

The Dragon Hotel, Crickhowell. Tel 01873 810362. NGR SO/217183.
This small, cosy hotel is situated in a central position at the opposite end of the High Street to my base. The building itself is extremely old, and the recently refurbished rooms are quaint with beams and uneven floors. For those of you with large cars, be warned that access to the car park is exceptionally narrow.
